Your Health & Safety

Please share any medications, health conditions, pregnancy, skin sensitivities, or recent surgeries info with us. This ensures your treatments are both safe and effective for your individual needs.

Classical Principles

All treatments are rooted in ancient texts, refined through contemporary research and experience. We do not offer cross-massages or treatments that deviate from core Ayurvedic tenets.

Personalised Care

Our listed durations and prices are starting points. Based on your Prakriti and current health status, we often create customised treatment combinations to restore your natural Dosha balance.

We are honoured to walk with you on your wellness journey and look forward to offering you the healing touch of Ayurveda with warmth, expertise, and grace
